How did you first learn about Missouri State University? _____

EDUCATIONAL PLAN

Please indicate the semester and year you wish to enroll: Semester _____ Year _____

Length of time you plan to study at Missouri State: _____ year(s)

Have you studied at Missouri State previously? ___Yes ___No

ACADEMIC RECORDS: You must arrange for our office to receive official (original or certified) copies of your academic records in both English and the original language and available test scores (English proficiency and any academic tests taken) before we can consider your admission to be complete. These educational documents are required: all post-secondary with proof of undergraduate degree.

EDUCATIONAL BACKGROUND: Please provide a complete summary of all higher educational institutions you have attended. Be sure to include present enrollment including intensive English language program, if currently enrolled. Failure to list all schools, regardless of length of time attended, is considered falsification of records and may result in denial or suspension. If you are currently enrolled, please list on a separate sheet the names, departments, and credit hours of your current courses.

Complete name, city and country of each institution	Dates of entering and leaving	Title of certificates, degrees, and/or diplomas; and date(s) earned or expected

EMPLOYMENT - Please list employment for the past year, or your last two employers

Name of Employer	City, State, Country	Dates (Month/Year)

I understand that submission of false information may result in my denial or suspension from Missouri State University.

Applicant's Signature Date

Missouri State University
Master of Business Administration-Executive Option Program
Terms and Conditions

The Master of Business Administration-Executive Option Program only accepts students from approved Chinese sponsoring organizations through IMEC. Students are required to demonstrate English language proficiency via either the TOEFL/IELTS or comparable testing, or attend intensive English language training in advance of starting the program.

The program is a one-year, 11 course, accelerated graduate program, with one course every 4 weeks. Students will receive a Master of Business Administration (MBA) degree from MSU upon successful completion of the required course work and other specified degree requirements. Students will be required to take the program of study (*i.e.*, all of the courses) approved for their cohort. To earn the MBA degree, students will be required to earn a GPA of 3.00 ("B") or higher (Note: No course with a grade "C-" or below may be applied.)

University "sponsored" students will receive a F1 visa. Continuous, full-time enrollment in the program is required to comply with U.S. immigration (visa) requirements.

During the one-year program study, MSU will not support student's transferring to other academic programs, including other universities.

Students are required to attend a new student orientation the week prior to the start of the first class. The program schedule may differ from the MSU academic calendar, and students are expected to attend all classes.

Tuition and fees must be paid at least three weeks prior to leaving for the U.S. per the instruction of the sponsors. Tuition and fees are nonrefundable regardless of circumstance (*e.g.*, voluntarily withdrawing from the program, failure to meet academic and/or degree requirements).

Tuition and fees will cover the cost of the required 11 MBA courses, federally required health care insurance, and University student service fees for the one year program of study. Tuition does not include the following: campus parking permits; library late fees; commencement (graduation); lost ID replacement; returned check fee, or career center fee.

Students who request and are granted permission to extend their one-year program of study to complete the MBA degree requirements, will be financially responsible for associated tuition, required health insurance, and student service fees.

Students wishing to attend other MSU courses, in addition to the 11 MBA courses, will first need to demonstrate excellence in their MBA classes. Students can then apply for permission from the Program Director, and IF permission is granted, students will be financially responsible for associated tuition and course fees.

Students will be responsible for travel, housing, living, and all other personal expenses. A required textbook and ancillary materials list will be provided and students will be financially responsible for obtaining required texts and ancillary materials (*e.g.*, TI BAI calculator).

In the event of conflicts, these terms and conditions will supersede those published in the MSU Graduate Catalog.
